

**To a Potential Sponsor of the Lady Lynx Volleyball Program
2022 STATE CHAMPIONS**

My name is Kim Lauwers and I am currently the varsity volleyball coach at Dimond High School. . We have been through a different and difficult time these past 3 years with budget cuts and losing one of our biggest fundraisers for our program, the small schools state volleyball tournament. With the rising costs of everything we are looking for some financial opportunities and are hoping that our community can help us with our volleyball program needs. We have 4 teams (50-58 team members) which is one of the largest most successful programs in the state. Not only are we successful on the volleyball court but we encourage and have high expectations in the classroom as well. We certainly could not accomplish our program successes without the help from our community, school, friends and family support.

It takes this village to continue our success and prepare us for positive life experiences. We are seeking financial support for our volleyball program. With the declining budget of the Anchorage School District, our program financial needs become the program's responsibility. The money raised by our program will be used for travel, player food, uniforms, practice shirts, equipment and volleyballs for the program. We would very much appreciate your consideration in helping us raise the funds needed for this upcoming season.

In return for your sponsorship, we will advertise your company on one or all of our many promotional outlets. We have five sponsorship levels, information on each can be found on <http://www.dhsvb.org/sponsors.html>

Thank you for taking the time to read this letter and your consideration in possibly becoming a sponsor of the Dimond High School Volleyball Program.

Sincerely,

Kim Lauwers

Coach Kim Lauwers
