

**To a Potential Sponsor of the Lady Lynx Volleyball Program  
MANY STATE CHAMPIONSHIPS**

My name is Kim Lauwers and I am currently the varsity volleyball coach at Dimond High School. I am reaching out to you on behalf of our Dimond volleyball program to seek your support for our upcoming season fundraising efforts. We have a dedicated group of student-athletes and coaches that are committed to enhancing the experience and opportunities for our players through the necessary resources, travel and equipment. We have been through a difficult time these past 3 years due to budget cuts and most recently with rising prices. Our volleyball program is in need of financial assistance to cover essential expenses each season for supplies, volleyballs, carts, equipment, gear, travel, ect. These resources are crucial in ensuring that our student athletes have the tools and support they need to excel both on and off the court.

Your contribution to our fundraising efforts will directly impact the success and growth of our volleyball program. By supporting us, you are investing in the development of our student-athletes, fostering teamwork and sportsmanship, and promoting a sense of community within our school. We have 4 teams (50-58 team members) which is one of the largest most successful programs in the state.

We welcome any form of support, whether it be a monetary donation, sponsorship, or participation in our fundraising events. Your generosity will make a significant difference in the lives of our student-athletes and help us achieve our goals for the upcoming season.

Thank you for considering our request for support. Together, we can make a positive impact on the lives of our student-athletes and continue to build a strong and successful volleyball program at Dimond High School

In return for your sponsorship, we will advertise your company on one or all of our many promotional outlets. We have five sponsorship levels, information on each can be found on <http://www.dhsvb.org/sponsors.html> and below.

Thank you for taking the time to read this letter and your consideration in possibly becoming a sponsor of the Dimond High School Volleyball Program.

Sincerely,

*Kim Lauwers*

Coach Kim Lauwers
